Docket Number:	Position:
WS-01303A-16-0145	Against

Docket Description:
In the matter of the application of Epcor Water Arizona Inc. for determination of the current fair value of its utility plant and property and for increases/decreases in its rates and charges based thereon for utility service by its Agua Fria, Anthem, Mohave, Sun City, and Sun City West wastewater districts and for consideration of consolidation and de-consolidation proposals.

Opinion:
I strongly believe that it is completely unfair for Sun City to be required to pay for someone elses water bill. Also, being a retired WWII veteran on a federal retirement and Social Seurity income and having received no "raise" for a year and a miserly one prior to that, I object to the increase of one of my utilities to the tune of what appears to be about an 80%. DO NOT "CONSOLIDATE"!!!
